CHAMPIONING WOMEN'S & PUBLIC HEALTH

Hadassah believes women should be empowered with the knowledge to make critical health decisions for themselves based on medical guidance, their own values, and what they feel is best for their health, their families and their future. The hallmarks of Hadassah's vision for women's health are empowered wellness, integration and innovation. Hadassah works to strengthen women's health and public health at the state and national levels.

Standing Against Teaching Hatred in Schools

Around the world antisemitism is surging. Palestinian children in schools run by the United Nations Relief and Works Agency for Palestine Refugees in the Near East (UNRWA) are learning from a curriculum that encourages violence and demonizes Israel. Hadassah believes that the US should hold UNRWA accountable and work to ensure that the content of all educational materials is consistent with the values of human rights, dignity and tolerance.
